Improvements Made At Coleman Arena

Carrying on the work of last year, the Coleman Sports Association has this year installed new lighting in the arena, installed rest rooms and painted the rest rooms and main waiting room.

To observe the Coleman few law so that youngsters may be home by 9:30 p.m. the skating schedule has been divided into three parts, afternoon and evening skating. The skating period is over at 9:15 p.m. giving youngsters fifteen minutes to change and be on their way home.

As the "rink rats" are mostly older school boys this schedule gives a chance to complete their work fairly early, in previous years some of the boys worked until well past midnight.

Three Pass Mines Amalgamate

Three Pass mines, International Coal & Coke Co., McGillivray Creek Coal & Coke Co., and Hillcrest—Mohawk Collieries, amalgamated recently, to form the new company now known as Coleman Collieries Ltd.

Coleman Collieries took over effective operations of the three mines as of January 1, 1952.

A shareholders' and directors' meeting was held in Trail on January 4, at which the following directors of the new company were elected:

Mr. Howard of Calgary, president; F. J. Harquail, formerly with Hillcrest-Mohawk, managing director; H. W. Clarke, general manager; H. Miller, general superintendent; P. Dickeson, secretary; Mr. S. Short, sales manager; Mr. W. Purvis, purchasing agent; Mr. R. Upton, chief accountant.

At the moment a state of transition exists. It is the intention of the new company to set up its offices in the building occupied previously by McGillivray Creek Coal & Coke Co. For the present time the three plants will operate as in time past until organization is complete, which should be in three or four months. Mining operation in Hillcrest will be closed in about three or four months. Coal from the strip on Tent Mountain will be processed in the International and McGillivray tiples.

C.W.L. of Coleman Pays Honor to Mrs. J. J. McIntyre

On Thursday, January 3, 1952 the members of the Catholic Women's League of Canada (Coleman Subdivision) held a surprise party for Mrs. J. J. McIntyre who is leaving the district shortly, following her husband's retirement from the position of superintendent of the two mines.

They have spent many years in the Crows Nest Pass and Mrs. McIntyre has been a very active worker for her church, also a member of the C.W.L. in both Bellevue and Coleman.

Approximately 25 ladies spent a very enjoyable evening at the home of Mrs. Hillery and after the guest of honor arrived, tables were arranged for whilst. The first prize was won by Mrs. A. Panek; 2nd by Mrs. W. Kosko; Later a lunch was served. Mrs. McIntyre was then presented with a very handsome rosary in pearl and silver encased in a dark red box in the shape of a prayer book and a card signed by all the ladies present.

The Very Reverend Dean Sullivan spoke a few words, thanking Mrs. McIntyre for her very loyal and active support of the parish and commanding her as an exemplary Catholic wife and mother, saying that in whatever parish she eventually settled their gain would be Coleman's loss. He mentioned Mrs. McIntyre's family, two daughters in religion, Pat, now Sister Mary John of the Faithful Companion of Jesus in Calgary and Chilcotin, Sister Mary Joanna; in the Order of the Sisters of Martha in Nova Scotia, whom he last summer when down east last summer. His two other daughters are Winona, a teacher at Vulcan; Mary (Mrs. Schmidt) wife of a rancher in Pincher Creek district, and Blanche (Mrs. McTeer) of Trail who with her children spent Christmas with her parents. Mrs. McIntyre has four brothers, Mr. Tom Ivan, Jerry a druggist at Nanton, Charles as X-ray Technician in Oregon and Jack a mining engineer, now of Stettler and formerly at the Coleman mine.

Mrs. McIntyre thanked Dean Sullivan for his remarks and the ladies for their gift. Many selections were played by Mrs. F. Maurer and later all joined in singing "For She's a Jolly Good Fellow" and "Auld Lang Syne." Before leaving Mr. E. Wood (vice president) proposed a hearty vote of thanks to the hostess Mrs. J. Hillery and the use of her home etc. for the evening. Mrs. Hillery was ably assisted by her daughter Betty and the League executive.

WEDDING

McINTYRE - DUNLOP
The marriage of Mr. Joseph P. McIntyre, son of Mr. and Mrs. J. J. McIntyre and Miss Winnifred Dunlop, daughter of the late Mr. and Mrs. Dunlop both of Coleman, was solemnized recently at Holy Ghost church, Coleman, by the Very Rev. Dean Sullivan officiating.

The bride who entered the church on the arm of Mr. Hugh Dunlop (cousin), wore a gown of Periwinkle blue Georgette, with a corsage of orchids and a cloche hat which featured a pink veil trimmed with pearls. Her bridesmaids, Mrs. Betty Sutherland of Sturfield wore an ankle-length gown of navy lace, with a matching hat. Mr. R. G. McIntyre of Nanton was his brother's best man. After the ceremony a wedding breakfast was served in the Grand Union Hotel with members of the two immediate families attending.

A reception was held at the home of Mr. and Mrs. J. J. McIntyre in the afternoon where the bride and groom received many guests, who called to wish them much happiness. Mrs. McIntyre sent a bouquet, a tiny guy gown with a hat of pale mauve.

The newly weds later left for the western United States, the bride wearing a gold knitted suit, with accessories in a warm brown shade to tone. On their return they will live in Coleman, where Mr. McIntyre is employed.

Mrs. R. Ferguson
Receives Sad News

Mrs. R. Ferguson of Coleman received a telegram Monday, Jan. 7 informing her of the death of her son, Mr. Lorne Lorimer at Westville, N.S., where he had lived all his life.
